PUBLIC ADMINISTRATION M.P.A.

All students must meet the Requirements for the Master’s Degree

OVERVIEW

The Master of Public Administration (M.P.A.) Program at the University of Vermont joins vigorous study of the foundations of public administration with the practice of public administration in the real world. Vermont’s small size, open local and state government, and wealth of nonprofit organizations make for an ideal environment in which to directly engage with the public administration field. More information on the M.P.A. program can be found on the Master of Public Administration website. Inquiries can be made through email: mpa@uvm.edu or by phone (802) 656-0009.

The Capstone is designed to provide M.P.A. students with a summative experience that ties learning competencies to evidence drawn from their course of study. This course is required for all M.P.A. students as it also incorporates the spirit of the Comprehensive Exam within the curriculum. Students in their
final spring semester of the program are eligible to take this. This course counts as the “comprehensive exam” for the Master of Public Administration at UVM.

**INTERNSHIP**
The Internship experience is a key opportunity to put into practice the concepts and theories of public administration. It is critical in gaining experience, building credentials and networking for future professional opportunities. A three-credit internship is required of all students, and students may apply up to 6 credits of internship experience toward the degree.

**THESIS OPTION**
A six-credit thesis option is also available to all students and strongly recommended for students interested in continuing on to a Ph.D. A student doing a thesis selects a three member thesis review committee to evaluate her/his work. If this is an option you would like to pursue, talk to your assigned advisor upon entering the program to allow plenty of time for the planning and writing of a thesis.

**Comprehensive Examination**
The Comprehensive Examination requirement is met when a student completes the Capstone during their final spring semester. The Capstone is designed to provide M.P.A. students with a summative experience that ties learning competencies to evidence drawn from their course of study.

**Requirements for Advancement to Candidacy for the Degree of Master of Public Administration**
Thirty six (36) academic credits are needed (12 courses) to earn an M.P.A. degree. Six of these courses are required core courses:

Students, with guidance from their advisor, select additional courses within the M.P.A. program or other academic institutions at the University of Vermont to round out their academic experience. A full-time student will finish the M.P.A. Program course work in 2 years, and a part-time student, 5 years. All courses are offered as on-campus lectures or seminars. While the M.P.A. Program at UVM does not offer explicit specializations, a student may pursue courses with a common thread or focus and can tailor their course selections to work toward that focus.
