ADMISSIONS PROGRAMS FOR UNDERGRADUATE STUDENTS

Early Action Students applying as first-year degree-seeking students who wish to learn of their admission decision by late December may apply by November 1 under the Early Action program. Applicants admitted under Early Action have until May 1 to pay an acceptance fee and do not have to make a binding commitment to attend the university.

Some Early Action candidates will be deferred until the admissions office has reviewed all first-year applicants for fall admission. Deferred applications are automatically reviewed again and decisions are generally released by the end of March. Early Action candidates may also be denied admission and do not have the option of reapplying for entry to the same semester.

Regular Decision Students may apply as first-year degree-seeking students by January 15 for consideration for fall semester entrance. Students who complete their application for admission will be notified of an admissions decision by late March. Regular decision applicants may be denied admission or offered a place on the waiting list.

Guaranteed Admission Program (GAP) The Guaranteed Admission program provides advising services and guarantees admission after successful completion of approved academic credit courses taken through Continuing and Distance Education. The program is administered cooperatively by Continuing and Distance Education, Undergraduate Admissions, and the deans’ offices of the colleges and schools within UVM.

To qualify for the Guaranteed Admission program students must have a high school diploma, General Education Development (GED) or passing score on the HiSET exam. Students are required to complete a minimum of eighteen semester credits in approved courses including courses for the proposed major and general education requirements and earn a minimum of a 3.00 cumulative grade-point average. Any admissions and entrance requirements lacking from high school must also be completed.

A few majors may have additional restrictions or may not be accessible through the Guaranteed Admission Program. Please visit the Continuing and Distance Education (http://www.uvm.edu/~learn) website.

Students should call the Continuing and Distance Education office at (802) 656-2085 or (800) 639-3210 to schedule an appointment with an advisor. A high school transcript as well as a transcript for any previous college work should be provided at the appointment.

The advisor will discuss the program and begin the process of determining the courses needed to complete the contract. If a student has earned previous credits, a copy of his/her transcripts will be forwarded to the Office of Transfer Affairs to determine which courses will transfer to UVM upon admission.
