BUSINESS INTERDISCIPLINARY THEME COURSES

All students must choose one of the following interdisciplinary themes by their junior year:

- Entrepreneurship
- Global Business
- Sustainable Business

All students must complete four (4) courses within their chosen theme, including one interdisciplinary “capstone” course in the fourth year. Students are required to earn a grade-point average of at least 2.00 in these four courses.

OPTIONAL BUSINESS CONCENTRATION

Students have the option to pursue a second concentration in a specific discipline (e.g., accounting, business analytics, finance or marketing). The student must complete the requirements of the specific concentration. They must earn twelve credits with a grade-point average of at least 2.00. Students may be permitted to combine Interdisciplinary Theme courses and electives to complete the concentration.

- Business Concentrations:
  - Accounting
  - Business Analytics
  - Finance
  - Marketing

Accounting Concentration

A student who plans to become a Certified Public Accountant (CPA) may complete an Accounting undergraduate concentration plus the Master’s of Accountancy (MAcc) in a fifth year. The MAcc fulfills the 150 credit requirement of the American Institute of Certified Public Accountants (see the Graduate Catalogue for additional information on the MAcc). The specific requirements to sit for the CPA examination vary among states. Students who plan to sit for the CPA exam are advised to contact the Board of Accountancy for the state in which they plan to work.

The Accounting concentration consists of twelve credits of accounting course work:

Note: Cross-listed courses may count for only one Basic General Education Core requirement. Any course which meets a business requirement cannot also meet a Basic General Education Core requirement.

REQUIRED MINOR

A student must complete a minor in a discipline outside the School of Business Administration by fulfilling the requirements specified by the department or program supervising the minor. A student must earn a cumulative grade-point average of 2.00 in the courses used to complete the minor and half of these courses must be completed at UVM. One course from the Basic General Education Core requirements may be used toward the completion of the minor.

The student must contact the appropriate department to obtain more information and declare the minor online through the UVM registrar’s website. Minors in psychology, and in Film and Television Studies are restricted to students enrolled in the College of Arts and Sciences. The following minors through Community Development and Applied Economics are also restricted: Community Entrepreneurship, Public Communications, Consumer and Advertising. Please consult with your faculty advisor to select an appropriate minor.

DIVERSITY REQUIREMENT

The University of Vermont has a six credit diversity requirement. For students enrolled in the School of Business Administration, three credits must be completed from the offerings in the Race and Racism in the U.S. category, and three credits should be selected from either the Race and Racism in the U.S. or the Human and Societal Diversity category.

ELECTIVES

Students need to take at least 50 elective credits outside of the School of Business Administration. The rest of their electives can be taken from either inside or outside of the school.

Restrictions on Electives

1. No credit will be granted for PEAC (physical education activity courses).
2. No credit will be granted for a course that substantially duplicates material in courses offered in business administration or in other previously completed courses.
   - Students cannot receive credit for both CS 014 and BSAD 142.
   - Students cannot receive credit for a course that is prerequisite knowledge for a course already completed, for example FREN 001 after FREN 002.
   - Students cannot receive credit for a course offered in another department that substantially duplicates material in business administration.
   - Students cannot earn credit for both CDAE 127 and BSAD 153.
• Students cannot earn credit for both CDAE 128 and BSAD 155.
• Credit cannot be received for CDAE 167 if taken after BSAD 180.
• Credit cannot be received for CDAE 168 if taken after BSAD 150.
• Credit cannot be received for CS 042; CDAE 169 or CDAE 266.
