DEPARTMENT OF LEADERSHIP AND DEVELOPMENTAL SCIENCES

http://www.uvm.edu/~dlds/

The academic programs within the Department of Leadership and Developmental Sciences (DLDS) share a commitment to promote the wellbeing of individuals, families and organizations. Throughout the undergraduate major, Human Development and Family Studies (HDFS), students learn how human development happens, how that process of development proceeds over the course of a lifetime, and how the social contexts of relationships and communities shape development. Using innovative teaching methods, the DLDS faculty support student learning and prepare them for careers in social services, education, counseling, and health sciences while helping them understand families, social problems, and advocacy.
