CLINICAL AND TRANSLATIONAL SCIENCE CGS

All students must meet the Requirements for the Certificates of Graduate Study

OVERVIEW

The Certificate in CTS (Clinical and Translational Science) is designed for biomedical scientists, health care professionals, and scholars in other fields (e.g., ethics, business, engineering, law) who are seeking to broaden their horizons in clinical and translational research.

More information on the certificate is available from the Center for Clinical and Translational Science website.

SPECIFIC REQUIREMENTS

Requirements for Admission to Graduate Studies for the Certificate of Graduate Study

- U.S. Baccalaureate degree or an equivalent international degree
- Four semesters of college-level science highly recommended.
- Two semesters of college-level mathematics or statistics highly recommended.
- Two semesters of college level English composition or equivalent

Minimum Degree Requirements

Students are expected to complete 19 credits of core course work and participate in the weekly Seminar in CTS.
