All students must meet the Requirements for the Accelerated Master's Degree Pathways

OVERVIEW

The Accelerated Master's Entry Pathway leading to a Master of Arts in Teaching (M.A.T) for middle level or secondary is designed for those students who aspire to earn both a master's degree and a license to teach in public middle or secondary schools. Students will prepare for licensure to teach in grades 5-9 (middle level) or 7-12 (secondary) in 1 summer and academic year.

UVM students who are in their third year of study for a Bachelor's degree may apply to the Accelerated Master of Arts in Teaching Pathway. Following acceptance by the Graduate College, these students may complete up to 9 credits of graduate-level course work, that may be counted toward both the minimum requirements for the M.A.T. as well as toward the undergraduate degree. Qualified candidates will need a major or its equivalent in an approved licensing area.

Requests for further information and application instructions may be obtained by contacting the Director of CESS Graduate Enrollments in Waterman 529B or via email at teachuvm@uvm.edu.
