

GRADUATE CATALOGUE

Students at the University of Vermont are responsible for knowing and complying with all requirements for their respective degrees as stated in the catalogue.

The University of Vermont reserves the right to make changes in the course offerings, degree requirements, charges, regulations, and procedures contained herein as educational and financial considerations require, subject to and consistent with established procedures and authorizations for making such changes.

The following programs are currently inactive and thus do not have a listing in the catalogue: Certificate of Graduate Study in Ecological Design, and doctoral programs in Biochemistry, Microbiology and Molecular Genetics, Molecular Physiology and Biophysics, and Pharmacology. Doctoral education in the listed disciplines is available through the interdisciplinary Cellular, Molecular and Biomedical Sciences doctoral program.
