GREEK AND LATIN AMP

All students must meet the Requirements for the Accelerated Master's Degree Programs (http://catalogue.uvm.edu/graduate/degerequirements/requirementsforacceleratedmastersdegreeprograms/)

OVERVIEW

This Accelerated Master’s Entry Program (AMP) offers select UVM undergraduate students of Greek and Latin an opportunity to earn both the bachelor’s and master’s degrees in Greek and Latin in 5 years. 9 credits toward the M.A. are earned during the senior year that may also count toward the B.A. The remaining M.A. credits are completed in the 5th year. Full-time graduate student status can begin the summer after undergraduate graduation and be maintained until completion of the M.A. in Greek and Latin. Students typically pursue the master’s degree in Greek and Latin either as a stepping stone to doctoral work (hopefully well-funded as a result), or to teaching in high schools (typically Latin).

SPECIFIC REQUIREMENTS

Requirements for Admission to Graduate Studies for the Degree of Master of arts for Accelerated Students

Students must apply for and be accepted to the AMP through the standard Graduate College application process, except that GRE scores are not required. Normally, the application and admission process must be finalized prior to the beginning of the senior year (typically in the Spring of the junior year). Students must be admitted by the Graduate College before taking any courses that will apply to the master’s degree, i.e., all courses used for the master’s degree must be taken after formal admission to the AMP. Courses approved for graduate credit are 200-level or higher with the prefix GRK, LAT, CLAS, or GKLT. Students taking a course approved for graduate credit must notify the faculty member they are taking the course at the graduate level before the course begins and must complete the additional work required of graduate students in that course. That notification must be copied to gradcoll@uvm.edu. (gradcoll@uvm.edu)

Consideration for admission requires the following:

- Minimum cumulative GPA of 3.00
- Minimum knowledge of Greek and Latin language: at least 1 course in each language at the 200-level (the more the better).
- Standard Graduate College application, including:
  - Completion of the Graduate College Application form
  - 3 letters of recommendation from UVM faculty members
  - Reading knowledge of German (preferred), French, or Italian. Students lacking this may submit a plan describing how they will acquire such knowledge outside of the Spring and Fall semester of their 5th year for consideration (e.g. intensive course in summer between 4th and 5th years).

Comprehensive Examinations (see below)

Comprehensive Examination

Comprehensive Exams may be taken in the first and last two weeks of Fall and Spring semesters. The Exams are in the following subjects: 1) Greek and Latin sight translation of passages from the department’s reading list. This must be attempted at the start of the fifth year; if not passed on the first attempt, it may be retaken at the start of the Spring term); 2) Greek and Roman History; 3) Literature and Philology. The GKLT 300 final exam may replace this exam if faculty agrees that it was appropriately structured, and student performed sufficiently well. 4) Modern Language: reading knowledge of German (preferred), French, or Italian, sufficient to conduct research in that language.
