

HISTORIC PRESERVATION AMP

All students must meet the Requirements for the Accelerated Master's Degree Programs

OVERVIEW

The Historic Preservation Accelerated Master's Program (AMP) provides an opportunity for capable undergraduate UVM students to enroll directly in the Historic Preservation graduate program while taking advantage of Accelerated Master's Program degree incentives. Following their formal admission into the Historic Preservation AMP, students work simultaneously on their B.A. and M.S. requirements, counting up to six credits of 200-graduate level courses toward both the B.A. and the M.S. degrees. The remaining 30 credits of graduate study required for Historic Preservation M.S. degree normally would be taken in three semesters following undergraduate graduation.
