ARTICULATION AGREEMENTS

Note: UVM’s articulation agreements are reviewed periodically. The information below is subject to change.

COMMUNITY COLLEGE OF VERMONT (CCV) PATHWAY TO UVM PROGRAM

To promote the transfer of graduates from the Community College of Vermont (CCV) to the University of Vermont (UVM). Earn an Associate’s Degree at CCV and guaranteed admission to the UVM by following an approved structured curriculum plan. Students entering UVM through the CCV Pathway are on track to earn a Bachelor’s degree in two years.

For a list of Pathway programs, please visit: go.uvm.edu/path2uvm.

Note: UVM Pathway major options are reviewed annually and options are subject to change. Students interested in UVM majors outside of the UVM Pathway major options should refer to the Transfer Admissions (http://www.uvm.edu/admissions/undergraduate/transfer_applicants/) website for application requirements, processes, and scholarship details.

- Students must be admitted to CCV before applying to UVM as a Pathway student.
- Students can apply to UVM to become a Pathway student as early as May of their high school senior year.
- Pathway students must meet UVM’s minimum entrance requirements prior to UVM matriculation.
- Any student who has been accepted into the Program through receipt of a Guaranteed Pathway Admission Letter shall have the benefit of the academic criteria in effect at the time of acceptance.
- The semester prior to enrolling at UVM, students must complete an intent to enroll form.
- The $500 enrollment fee for UVM will be waived.
- Students with a CCV GPA of 2.80 or higher receive a $10,000 scholarship ($2,500 per semester for four semesters; must maintain full-time status).
- Students must continue to follow UVM’s transfer credit policy (https://www.uvm.edu/registrar/undergraduate-transfer-credit?_ga=2.131103823.1755855236.1584327182-1681792444.1575303604/).
- Students will attend a mandatory orientation session for Pathway students.

Application Process

Current or prospective CCV students interested in this Pathway program should review the minimum entrance requirements, as listed on the Transfer Admissions (http://www.uvm.edu/admissions/undergraduate/transfer_applicants/) website. CCV Pathway candidates are encouraged to contact with the Coordinator of Transfer Admissions in the UVM Admissions office with questions about the admissions process under the CCV to UVM articulation agreement. Candidates are required to submit their Application (http://www.uvm.edu/admissions/undergraduate/transfer_applicants/), all supporting credentials and all financial aid forms by the stated UVM deadlines.

Candidates whose GPAs fall below the minimum will be reviewed by UVM on a case-by-case basis. Those denied admission are encouraged to connect with the Coordinator of Transfer Admissions at UVM to review future options. Recipients of a CCV associate degree prior to 1999 may contact the UVM Admissions office for general transfer information.

For a current list of transferable CCV courses and UVM equivalents, students should review the Transfer Guide on the Office of the Registrar (http://www.uvm.edu/~rgweb/) website. Additional questions can be directed to a CCC advisor or to UVM Office of Transfer Affairs (http://catalogue.uvm.edu/undergraduate/admissioninfo/articulationagreements/Candidates%20whose%20GPAs%20fall%20below%20the%20minimum%20will%20be%20reviewed%20by%20UVM%20on%20a%20case-by-case%20basis.%20Those%20denied%20admission%20are%20encouraged%20to%20connect%20with%20the%20Coordinator%20of%20Transfer%20Admissions%20to%20review%20future%20options.%20If%20the%20Recipient%20is%20in%20good%20academic%20standing%20and%20is%20a%20transfer%20student%20with%20a%20CCV%20associate%20degree%20prior%20to%201999%20may%20contact%20the%20UVM%20Admissions%20Office%20for%20general%20transfer%20information.%20CCV%20graduates%20interested%20in%20UVM%20programs%20outside%20of%20the%20Recipient%20are%20encouraged%20to%20contact%20the%20Coordinator%20of%20Transfer%20Admissions%20to%20discuss%20their%20academic%20history%20and%20potential%20for%20transfer%20admission/).

CCV graduates interested in UVM programs outside of those referenced in the catalogue are encouraged to contact the UVM Coordinator of Transfer Admissions to discuss their academic history and potential for transfer admission.

COMMUNITY COLLEGE OF VERMONT (CCV) TO RUBENSTEIN SCHOOL OF ENVIRONMENT AND NATURAL RESOURCES GUARANTEED ADMISSION PATHWAY

Students who have completed an associate degree at the Community College of Vermont (CCV) can be admitted to the University of Vermont’s Rubenstein School of Environment and Natural Resources under the following conditions:

- Students must complete a minimum of sixty transferable academic credits, at least thirty of those taken at CCV.
ARTICULATION AGREEMENTS

• Students must present a CCV grade-point average of 2.80 (on a 4.00 scale) or better.
• Candidates for the Articulation Agreement must meet UVM’s minimum entrance requirements prior to CCV graduation.
• CCV students must initiate their degree program at UVM within two years of completing the CCV associate degree.
• CCV associate degree students will be held to the policies that are in effect at the time they are admitted to UVM.

Application Process
Current or prospective CCV students interested in this guaranteed admission Pathway should review the minimum entrance requirements, as listed on the Transfer Admissions (http://www.uvm.edu/admissions/undergraduate/transfer_applicants/) website. CCV Pathway candidates are encouraged to contact with the Coordinator of Transfer Admissions in the UVM Admissions office with questions about the admissions process under the CCV to UVM articulation agreement. Candidates are required to submit their Application (http://www.uvm.edu/admissions/undergraduate/transfer_applicants/), all supporting credentials and all financial aid forms by the stated UVM deadlines.

Candidates whose GPAs fall below the minimum will be reviewed by UVM on a case-by-case basis. Those denied admission are encouraged to connect with the Coordinator of Transfer Admissions at UVM to review future options. Recipients of a CCV associate degree prior to 1999 may contact the UVM Admissions office for general transfer information.

For a current list of transferable CCV courses and UVM equivalents, students should review the Transfer Guide on the Office of the Registrar (http://www.uvm.edu/~rgweb/) website. Additional questions can be directed to a CCV advisor or to UVM Office of Transfer Affairs (http://catalogue.uvm.edu/undergraduate/admissioninfo/articulationagreements/Candidates%20whose%20GPAs%20fall%20below%20the%20minimum%20will%20be%20reviewed%20by%20UVM%20on%20a%20case-by-case%20basis.%20Those%20who%20are%20encouraged%20to%20connect%20with%20the%20Coordinator%20of%20Transfer%20Admissions%20%20in%20the%20future%20options.%20For%20current%20students%20%20who%20are%20transferable%20CCV%20courses%20and%20UVM%20equivalents,%20students%20should%20review%20the%20Transfer%20Guide%20on%20the%20Office%20of%20the%20Registrar%20website.%20Additional%20questions%20can%20be%20directed%20to%20the%20CCV%20Advisor%20%20or%20the%20Office%20%20Transfer%20Affairs%20%20to%20review%20the%20application%20process%20at%20UVM./). CCV graduates interested in UVM programs outside of those referenced in the catalogue are encouraged to contact the UVM Coordinator of Transfer Admissions to discuss their academic history and potential for transfer admission.

SAINT MICHAEL’S COLLEGE (SMC)/UVM ENGINEERING 3+2

This agreement guarantees students who meet specified criteria admission to a prescribed program of study in engineering at UVM. Upon successful completion of the program and degree requirements, students receive a Bachelor of Arts or Bachelor of Science degree from SMC and a Bachelor of Science degree in the appropriate engineering area from UVM. Students normally complete the program in five years.

The academic advising, admission, transfer of credits, enrollment, and monetary conditions in this agreement applicable to students will be carried out in accordance with the following policies and procedures.

1. Initial application to the program will be made to SMC.
2. Students will enroll in the program by declaring a pre-engineering major at the time of admission to SMC to permit them to complete all prerequisites in a reasonable time (see SMC catalogue for pre-engineering program).
3. Students may register for any of the options in the Civil, Environmental, Electrical or Mechanical Engineering, Engineering, or Engineering Management programs.
4. Students enrolling under this program will be considered SMC students throughout the duration of the program. Once admitted to UVM according to the policies of this Agreement, they also become UVM students for the remainder of the program.
5. For the first three years the host institution for students in the program will be SMC, and for the last two years the host institution will be UVM. Tuition and fees will be paid to the host institution according to its normal policies (including residence status, financial aid, etc.). Tuition for courses taken at the other institution will be paid by the host institution transferring funds based on an agreed upon amount per credit.
6. While students are enrolled at a host institution they will be independently responsible for applicable fees at the other institution according to the other institution’s policies (at UVM this includes but is not limited to the admission fee and the comprehensive fee). Each institution will communicate the applicable fees for the upcoming academic year to the other institution (Dean of CEMS at UVM; VPAA at SMC) by June 1 or as soon as the fees are determined for the upcoming academic year, whichever is later.
7. Students in the program will make a formal application to UVM by April 15 in the spring semester of their third year at SMC and pay the application fee.

Students in the program will make a formal application to UVM by April 15 in the spring semester of their third year at SMC and pay the application fee.

Students must present a CCV grade-point average of 2.80 (on a 4.00 scale) or better.

Candidates for the Articulation Agreement must meet UVM’s minimum entrance requirements prior to CCV graduation.

CCV students must initiate their degree program at UVM within two years of completing the CCV associate degree.

CCV associate degree students will be held to the policies that are in effect at the time they are admitted to UVM.

Application Process
Current or prospective CCV students interested in this guaranteed admission Pathway should review the minimum entrance requirements, as listed on the Transfer Admissions (http://www.uvm.edu/admissions/undergraduate/transfer_applicants/) website. CCV Pathway candidates are encouraged to contact with the Coordinator of Transfer Admissions in the UVM Admissions office with questions about the admissions process under the CCV to UVM articulation agreement. Candidates are required to submit their Application (http://www.uvm.edu/admissions/undergraduate/transfer_applicants/), all supporting credentials and all financial aid forms by the stated UVM deadlines.

Candidates whose GPAs fall below the minimum will be reviewed by UVM on a case-by-case basis. Those denied admission are encouraged to connect with the Coordinator of Transfer Admissions at UVM to review future options. Recipients of a CCV associate degree prior to 1999 may contact the UVM Admissions office for general transfer information.

For a current list of transferable CCV courses and UVM equivalents, students should review the Transfer Guide on the Office of the Registrar (http://www.uvm.edu/~rgweb/) website. Additional questions can be directed to a CCV advisor or to UVM Office of Transfer Affairs (http://catalogue.uvm.edu/undergraduate/admissioninfo/articulationagreements/Candidates%20whose%20GPAs%20fall%20below%20the%20minimum%20will%20be%20reviewed%20by%20UVM%20on%20a%20case-by-case%20basis.%20Those%20who%20are%20encouraged%20to%20connect%20with%20the%20Coordinator%20of%20Transfer%20Admissions%20in%20the%20future%20options.%20For%20current%20students%20who%20are%20transferable%20CCV%20courses%20and%20UVM%20equivalents,%20students%20should%20review%20the%20Transfer%20Guide%20on%20the%20Office%20of%20the%20Registrar%20website.%20Additional%20questions%20can%20be%20directed%20to%20the%20CCV%20Advisor%20or%20the%20Office%20of%20Transfer%20Affairs%20to%20review%20the%20application%20process%20at%20UVM./). CCV graduates interested in UVM programs outside of those referenced in the catalogue are encouraged to contact the UVM Coordinator of Transfer Admissions to discuss their academic history and potential for transfer admission.

SAINT MICHAEL’S COLLEGE (SMC)/UVM ENGINEERING 3+2

This agreement guarantees students who meet specified criteria admission to a prescribed program of study in engineering at UVM. Upon successful completion of the program and degree requirements, students receive a Bachelor of Arts or Bachelor of Science degree from SMC and a Bachelor of Science degree in the appropriate engineering area from UVM. Students normally complete the program in five years.

The academic advising, admission, transfer of credits, enrollment, and monetary conditions in this agreement applicable to students will be carried out in accordance with the following policies and procedures.

1. Initial application to the program will be made to SMC.
2. Students will enroll in the program by declaring a pre-engineering major at the time of admission to SMC to permit them to complete all prerequisites in a reasonable time (see SMC catalogue for pre-engineering program).
3. Students may register for any of the options in the Civil, Environmental, Electrical or Mechanical Engineering, Engineering, or Engineering Management programs.
4. Students enrolling under this program will be considered SMC students throughout the duration of the program. Once admitted to UVM according to the policies of this Agreement, they also become UVM students for the remainder of the program.
5. For the first three years the host institution for students in the program will be SMC, and for the last two years the host institution will be UVM. Tuition and fees will be paid to the host institution according to its normal policies (including residence status, financial aid, etc.). Tuition for courses taken at the other institution will be paid by the host institution transferring funds based on an agreed upon amount per credit.
6. While students are enrolled at a host institution they will be independently responsible for applicable fees at the other institution according to the other institution’s policies (at UVM this includes but is not limited to the admission fee and the comprehensive fee). Each institution will communicate the applicable fees for the upcoming academic year to the other institution (Dean of CEMS at UVM; VPAA at SMC) by June 1 or as soon as the fees are determined for the upcoming academic year, whichever is later.
7. Students in the program will make a formal application to UVM by April 15 in the spring semester of their third year at SMC and pay the application fee.
8. To become a matriculated student at UVM, St. Michael’s articulation students must pay an acceptance fee by the date stipulated in the admission letter.

9. Students will matriculate at UVM and will be accepted to the appropriate engineering program at UVM once they have met the following requirements: (a) completion of at least sixty credits at SMC with appropriate courses, in good standing; (b) completion of Part 1 of the required pre-engineering courses at SMC, as specified in the Agreement (see SMC catalogue); and (c) completion of the credits of UVM engineering courses as specified in the agreement.

VERMONT TECHNICAL COLLEGE (VTC)/UVM ENGINEERING

Vermont Technical College and the University of Vermont have an articulation agreement in engineering. This agreement provides a structured sequence of courses at VTC that, if completed successfully, would guarantee acceptance as a transfer student in an engineering discipline in UVM’s College of Engineering and Mathematical Sciences. Upon successful completion of the Associate in Engineering Technology degree and with the clear recommendation of VTC’s academic dean or his/her assignee, the student would then spend a minimum of two years at the University of Vermont. While studying at UVM, the student will complete the major course requirements that will lead to a baccalaureate degree from UVM. Students must earn a grade of “C” or better in any VTC course for the course to be accepted for transfer credit. Students presenting with less than a 3.00 grade-point average will be considered on a case-by-case basis. UVM will guarantee the acceptance of VTC graduates who have a grade-point average of 3.00 or better from the following programs:

- Civil Engineering Technology
- Computer Engineering Technology
- Electrical and Electronics Engineering Technology
- Mechanical Engineering Technology

Initial acceptance for admission to the program will be made to VTC where the candidate will be subject to the admission requirements of the institution. A student will indicate the desire to enroll in the articulation program at the time of the student’s admission to VTC or early enough in the student’s program at VTC to permit the student to complete all prerequisite courses. Articulation program students will be subject to the same admissions deadlines as other transfer applicants to the university. The application for fall admissions and supporting credentials should be received by the undergraduate admissions office at UVM no later than April 15. The student must indicate on the application that they are in the VTC/UVM articulation program. All information and correspondence pertaining to student transfer in this agreement will be handled by UVM’s admissions office. Correspondence related to course selection should be addressed to the Student Services office in UVM’s College of Engineering and Mathematical Sciences. A student may be required to register for additional courses. This agreement will be reviewed every third academic year, starting in 2006-2007, in order to modify the program requirements as necessary.

For more information, please contact UVM’s College of Engineering and Mathematical Sciences Student Services office at (802) 656-3392 or by e-mailing cems.student.services@uvm.edu.

UVM-VERMONT LAW SCHOOL (VLS) 3+2 PROGRAM

The UVM-VLS 3+2 Program provides high-achieving students with an opportunity to achieve a Bachelor’s degree (BA or BS) and a Juris Doctor (JD) degree in a total of five years. The program is available to undergraduate students enrolled in selected academic majors at the University of Vermont.

Students complete three years of undergraduate study at UVM, then matriculate at Vermont Law School where they complete two years of approved coursework for the JD degree from VLS and are enrolled as full-time students.

Admission to the program occurs at the end of a student’s first year at UVM. Interested students should connect with the College Program Coordinator of the major they plan to pursue early in their first year to clarify the academic requirements and timeline.

Students must be enrolled as full-time students during the duration of their course of study at UVM. As students will complete their major requirements in a compressed timeframe, it is vital that students are planning how to complete all of the requirements from the beginning of their first year at UVM. Students should review the academic plan for their major and connect with the appropriate 3+2 major advisor, listed below.

- Students enrolled in the UVM-VLS 3+2 Program will be admitted to VLS and matriculate as full-time students for two years.
- Credits from the first year at VLS are transferred back to UVM to allow completion of the undergraduate degree from UVM.
- Students who meet all requirements of the UVM-VLS 3+2 Program will be awarded the appropriate Bachelor’s degree from UVM and a JD degree from VLS.
- Students who enroll in this program but choose not to complete the law degree after the first year of enrollment at VLS will have their credits transferred back to UVM for the completion of the Bachelor’s degree.

Requirements

Students apply to the 3+2 Program at the conclusion of their first year of study at UVM. Eligible students must have completed a minimum of 30 credit hours in two semesters of full-time study with a minimum GPA of 3.4. Eligible students must be enrolled in a major that has been approved by UVM for inclusion in this program and be on track to complete all requirements in their major’s 3+2 academic plan.

Eligible candidates for the Program must be U.S. citizens or permanent residents. The number of students selected will be
determined each year based on availability. Students must maintain their GPA at UVM to continue in the program.

Approved programs
College of Agriculture and Life Sciences
- Community Entrepreneurship (https://www.uvm.edu/cals/cdae/community_entrepreneurship/)
- Community and International Development (https://www.uvm.edu/cals/cdae/community_and_international_development/)
- Public Communication (https://www.uvm.edu/cals/cdae/public_communication/)

College of Arts and Sciences
- Economics (https://www.uvm.edu/cas/economics/)
- History (http://www.uvm.edu/cas/history/)
- Political Science (https://www.uvm.edu/cas/polisci/)

Rubensteins School of Environment and Natural Resources
- Natural Resources (https://www.uvm.edu/rsenr/natural_resources/)
- Environmental Studies (https://www.uvm.edu/rsenr/environmental_studies/)

Application Process
Students should submit the application by mid-April at the end of their first year. The application process includes:
- Essay
- Minimum one letter of recommendation from a full-time faculty member

Applications are submitted to the UVM-VLS 3+2 coordinators in each College/School.

Admission to Vermont Law School
To gain admission to VLS, students must sit for the LSAT no later than October of their third year of study at UVM and must present a score that is equal to or greater than 155 and a UVM cumulative GPA of 3.5. If a student’s LSAT score falls below this standard, the student may seek permission from VLS to retake the test.

Students must complete all necessary LSAC requirements and VLS admission paperwork no later than January 31 of their third year of undergraduate study. All VLS application fees are waived for students in this program.

Students must have completed the minimum requirements as set forth by the academic unit approving the applicable UVM degree program for this 3+2 Program before matriculation at VLS. VLS reserves the right to deny admission to any students who have been subject to academic and/or disciplinary action.

For more information about this program, review the contact information on the UVM VLS 3+2 website (https://www.uvm.edu/admissions/undergraduate/university_vermont_vermont_law_school_32_program/).

VERMONT TECHNICAL COLLEGE (VTC)/ UVM 2+2 FARMS PROGRAM
Students who have completed an associate degree in the Vermont Technical College Dairy Management program can be admitted into the University of Vermont’s College of Agriculture and Life Sciences (CALS) in the Animal Science or Community Entrepreneurship major, leading to a bachelor’s degree. Transferable courses are limited to those directly comparable to UVM courses and meeting the requirements for both programs.

For admission, students must meet the following criteria:
- Students must have a 3.00 grade-point average (on 4.00 scale) or better.
- Students must meet the minimum entrance requirements for the university and for the Animal Sciences or Community Entrepreneurship major. A list of these courses can be obtained from the agreement coordinator in the College of Agriculture and Life Sciences.
- All students who do not meet the above conditions can apply for transfer admission and be reviewed on a case-by-case basis.
- Candidates applying to the University of Vermont under this agreement do not pay the application fee.

For more information about this agreement and course equivalencies, please contact the agreement coordinator in the College of Agriculture and Life Sciences at (802) 656-2890.

CASTLETON STATE UNIVERSITY, VERMONT TECHNICAL COLLEGE, AND GREENFIELD COMMUNITY COLLEGE/UVM NURSING
UVM’s Department of Nursing has articulation agreements with associate degree nursing programs at Castleton State University, Vermont Technical College, and Greenfield Community College. The agreements guarantee students who meet specific admission criteria entrance to a prescribed program of study in the RN-BS program at UVM. Upon successful completion of the RN-BS program and degree requirements, students receive a Bachelor of Science degree with a major in nursing from UVM.
