INTERNATIONAL STUDENT ADMISSIONS

The University of Vermont welcomes applications from international students.

APPLICATION REQUIREMENTS

Academic Documents

International applicants must submit official original transcripts of all secondary and postsecondary education, including final exam results. If documents are not in English, certified translations are required. All arrangements for translation must be made directly with the translation option of the applicant’s choice.

Standardized Tests

Students are not required to submit SAT or ACT scores. Students wishing to qualify for the Honors College will be required to submit an official SAT or ACT score.

English Proficiency

International students for whom English is not their first language must demonstrate English proficiency. The University of Vermont offers multiple ways to meet English proficiency including a minimum iBT TOEFL score of 90 or a minimum IELTS score of 6.5, additional options for meeting English proficiency can be found on the International Admissions website (https://www.uvm.edu/admissions/undergraduate/apply/international_applicants). If an international student has attended a U.S. institution for three or more years, or attends a school with instruction in English for three or more years, or, in rare circumstances, if a combination of evidence exists which otherwise demonstrates a student's English language proficiency, the Office of Admissions has the discretion to and may waive the requirement for an English proficiency test on a case-by-case basis.

Financial Support for International Students

The university offers merit-based scholarships to international students each year; no additional application is required. Students attending on non-immigrant student visas are charged out-of-state tuition rates. Information about merit scholarships for international students may be found at http://www.uvm.edu/sfs/scholarships.

Form I-2

International students requiring an F-1 student visa to begin studies at the University of Vermont must complete an I-20 request form and submit it to UVM’s Office of International Education. The I-20 form can only be issued when a student has been formally admitted to UVM and has provided proof of sufficient financial support to cover educational expenses for one full academic year. The student must provide documentation for all sources of financial support. Financial documents must be submitted in English, state an exact currency amount (preferably in U.S. dollars) and be less than six months old at the point of submission for I-20 issuance.
