OTHER INFORMATION

Mobile Computing Requirement

Each student is asked to have a portable computer and the software suite that meets the requirements of GSB. Please consult with a member of the University's IT staff for specific information.

GSB Comprehensive Technology Fee

GSB charges a $75 Technology Fee per semester to all business majors, co-majors, minors, and graduate students (Sustainable Innovation MBA and Master of Accountancy programs).

The GSB Technology Fee covers terminals, monitors, servers, computer lab systems (e.g., A/V hardware and hookups), and software related to instruction (e.g., Bloomberg terminals, research databases for instructional purposes, online poll services for classroom response systems). The fee also covers associated digital displays within GSB Study Rooms. Students who pay the fee get printing access for a limited number of pages (180 per month). The fee also covers the printer maintenance, printer paper, and print management system.

Computer Competency

Students are presumed to have basic microcomputer literacy, including working knowledge of word processing and spreadsheet software. A student lacking this basic knowledge isresponsible for attaining it through course work, self-study, tutorials, or workshops.
