SCHOLARSHIPS

Thanks to the generosity of UVM alumni, parents, and friends, a number of scholarships are available to incoming first-time, first-year undergraduate students whose experiences and backgrounds promise to enrich the larger university community. While many of these scholarships are based on a combination of need and merit, several scholarships are offered exclusively on the basis of academic achievements and potential for success at UVM. For more information, visit the Scholarship Information (https://www.uvm.edu/studentfinancialservices/scholarships) website. Samples of scholarships available to new students include:

Dean’s Merit Scholarship
Students who apply as external transfer students will be automatically considered for the Dean’s Merit Scholarship. Recipients typically have earned at least a 3.10 cumulative grade-point average in all prior college work. For students who earned less than twenty-one college credits, both the college and high school records are reviewed to determine eligibility. Dean’s Merit Scholars receive a merit scholarship for four years (eight semesters) or until graduation (whichever comes first) providing that they maintain a minimum cumulative 3.0 grade-point average, full-time enrollment, and continue to make satisfactory academic progress toward the completion of their degree requirements. Award amounts are $3,000/year for Vermont residents, and $6,000 - $7,000/year for out-of-state residents.

Green and Gold Scholars Program
Recognizes the highest-achieving Vermont resident at each eligible high school with 4-year, full tuition scholarships, currently valued at over $62,000. At the end of the academic year, the principal of each eligible school submits a nominee who has completed the 11th grade. Selection criteria will be determined by each eligible high school, and should not be limited to standardized testing. If approved, Green and Gold nominees are awarded a four-year full tuition scholarship upon admission to the university. The scholarship is renewable annually provided that the recipient maintains a minimum cumulative grade point average of a 3.0 along with full-time enrollment.

International Scholarships
Several scholarships are available for qualified international students who are admitted to the University of Vermont, including US Pathway Program (USPP) (http://www.uvm.edu/studentfinancialservices/us_pathway_program_uspp_student_scholarships) and UVM Global Gateway (GGP) students (http://globalgateway.uvm.edu/university-admission/fees). Applicants for admission are automatically considered for these scholarships based on their application materials. Eligibility for the scholarships is based on academic merit. **HOW TO APPLY FOR UVM SCHOLARSHIPS**
There is no separate application process for most UVM-based scholarships. First-year and transfer applicants are considered for most UVM scholarships simply by submitting the UVM admissions application. The wealth of information provided in the admissions application is used in matching students with available scholarships. Additionally, students must file the Free Application for Federal Student Aid (FAFSA) in order to be considered for need-based scholarships. For more information, including details on scholarships that do require separate applications, visit the Scholarship Information website.
