OVERVIEW

The Master of Accountancy (M.Acc.) degree is a STEM-designated program designed to equip students with 150 hours of university-level education required to sit for the Certified Public Accountant (CPA) exam and become certified as a CPA. The curriculum prepares students to become successful professionals as auditors, tax preparers and advisors, as well as corporate, not-for-profit and governmental accountants. Graduates may also complete various other professional certifications including the Certified Management Accountant (CMA), Certified Internal Auditor (CIA), Certified Information Systems Auditors (CISA) or the Certified Fraud Examiner (CFE).
