

SPONSORED AND INSTITUTIONAL RESEARCH

During fiscal year 2021, the university received 711 research awards representing \$204,000,000 in funding from a diverse range of sponsors (over 300) from proposals submitted by more than 300 Principal Investigators. UVM ranks nationally as one of the 100 leading public research universities in terms of federal grant support. In addition, there are a substantial number of faculty research projects supported, in part, by institutional funds. Graduate students frequently serve as integral parts of faculty research projects in a wide range of disciplines.
