OVERVIEW
The Grossman School of Business (GSB) believes business can — and must — become a force for good. GSB’s graduate programs equip tomorrow’s changemakers with the knowledge and skills needed to create better ways of doing business. GSB offers the Sustainable Innovation Master of Business Administration (SI-M.B.A.) and Certificates of Graduate Study.

Situated at the heart of one of the most progressive business environments in the world, the fully integrated curriculums create impact because they were created from the ground up to incorporate environmental, social and governance challenges into business practices. Program graduates develop the holistic, interdisciplinary, systems skills needed to help businesses grow profitably and sustainably.
