UVM Senior undergraduates may enroll for up to 6 graduate credits (5000- or 6000-level) at UVM that can transfer into a UVM graduate program after completion of the Bachelor’s under the following circumstances: the student must be enrolled in 12 credits (per semester) that are required for their undergraduate degree; courses must be graded and cannot be independent study, practicum, internship, or research credit courses. This graduate level credit can be used as transfer credit into a UVM graduate program if the course is deemed appropriate by the student’s advisor for the particular graduate program and the student earned a grade of B or better. The transfer is credit only (not grade) and does not count towards the minimum graded credit required after matriculation into the graduate program. Other institutions may not accept such credit, earned before award of the bachelor's degree, in transfer to their graduate programs.
