ARTICULATION AGREEMENTS

Note: UVM’s articulation agreements are reviewed periodically. The information below is subject to change.

COMMUNITY COLLEGE OF VERMONT (CCV) TO UVM 2+2 PATHWAY PROGRAM

To promote the transfer of graduates from the Community College of Vermont (CCV) to the University of Vermont (UVM). Earn an Associate’s Degree at CCV and guaranteed admission to UVM by following an approved curriculum plan. Students entering UVM through the CCV 2+2 Pathway are projected to earn a Bachelor’s degree in 2 years.

For a list of Pathway Programs, please visit: go.uvm.edu/path2uvm.

Note: UVM Pathway Programs are reviewed annually and options are subject to change. Students interested in UVM majors outside of these defined Pathway Programs should refer to the Transfer Admissions website (https://www.uvm.edu/admissions/undergraduate/transfer-uvm/) for application requirements, processes, and scholarship details.

- Students must be admitted to CCV before applying to UVM as a Pathway student.
- Pathway students must meet UVM’s minimum entrance requirements prior to UVM matriculation.
- Any student who has been accepted into the Program shall have the benefit of the academic criteria in effect at the time of acceptance.
- The semester prior to enrolling at UVM, students must complete an official application (https://www.uvm.edu/admissions/undergraduate/transfer-uvm/) to UVM. The application fee will be waived.
- The $495 enrollment fee for UVM will be waived.
- Students with a minimum 2.80 cumulative transfer GPA in all prior college work are automatically awarded a Pathway Scholarship (https://www.uvm.edu/studentfinancialservices/scholarships_transfer_students/) at the time of application.
- Students must continue to follow UVM’s transfer credit policy (https://www.uvm.edu/registrar/undergraduate-transfer-credit/?ga=2.131103823.1755855236.1584327182-1681792444.1575303604).

Application Process

Current or prospective CCV students interested in this Pathway Program should review the minimum entrance requirements, as listed on the Transfer Admissions website (https://www.uvm.edu/admissions/undergraduate/transfer-uvm/). CCV Pathway candidates are encouraged to contact with the Coordinator of Transfer Admissions in the UVM Admissions office with questions about the admissions process under the CCV to UVM Pathway Program. Candidates are required to submit their application, all supporting credentials and all financial aid forms by the stated UVM deadlines.

Candidates whose GPAs fall below the minimum will be reviewed by UVM on a case-by-case basis. Those denied admission are encouraged to connect with the Coordinator of Transfer Admissions at UVM to review future options. Recipients of a CCV Associate’s degree prior to 1999 may contact the UVM Admissions office for general transfer information.

For a current list of transferable CCV courses and UVM equivalents, students should review the Transfer Guide on the Office of the Registrar (http://www.uvm.edu/~rgweb/) website. Additional questions can be directed to a CCC advisor or to UVM Office of Transfer Affairs (https://www.uvm.edu/registrar/contact-us/).

CCV graduates interested in UVM programs outside of those referenced in the catalogue are encouraged to contact the UVM Coordinator of Transfer Admissions to discuss their academic history and potential for transfer admission.

COMMUNITY COLLEGE OF VERMONT (CCV) TO COLLEGE OF ENGINEERING AND MATHEMATICAL SCIENCES GUARANTEED ADMISSION AGREEMENT

Students who have completed an Associate’s degree at the Community College of Vermont (CCV) will be admitted to the University of Vermont’s College of Engineering and Mathematical Sciences (https://www.uvm.edu/cems/) (CEMS) under the following conditions:

- Students must complete a minimum of 60 transferable academic credits, at least 30 of those taken at CCV.
- Students must present a CCV grade-point average of 3.20 (on a 4.00 scale) or better. Students who earn a grade-point average of 2.80 to 3.19 will be strongly considered for admission, but admission is not guaranteed.
- Engineering majors require at least 1 semester of college-level calculus and 1 lab-science course. Statistics, Computer Science, and Data Science majors require at least 1 semester of college-level calculus and prefer 1 computer science or lab-science course. Individual course grades earned in STEM classes must be a B or higher.
- Candidates for this Agreement must meet UVM’s minimum entrance requirements prior to CCV graduation.
- CCV students must initiate their degree program at UVM within 2 years of completing the CCV Associate’s degree.
- The semester prior to enrolling at UVM, students must complete an official application (https://www.uvm.edu/admissions/undergraduate/transfer-uvm/) to UVM. The application fee will be waived.
- Students with a minimum 2.80 cumulative transfer GPA in all prior college work are automatically awarded a Pathway Scholarship (https://www.uvm.edu/scholarships_transfer_students/).
Articulation Agreements

Scholarship (https://www.uvm.edu/studentfinancialservices/scholarships_transfer_students/) at the time of application.

- CCV Associate’s degree students will be held to the degree requirements and policies that are in effect at the time they matriculate into UVM.

**APPLICATION PROCESS**

Current or prospective CCV students interested in this Agreement should review the minimum entrance requirements, as listed on the Transfer Admissions website (https://www.uvm.edu/admissions/undergraduate/transfer-uvm/). Candidates are encouraged to contact with the Coordinator of Transfer Admissions in the UVM Admissions office with questions about the admissions process under this CCV to UVM Agreement. Candidates are required to submit their application, all supporting credentials and all financial aid forms by the stated UVM deadlines.

Candidates whose GPAs fall below the minimum will be reviewed by UVM on a case-by-case basis. Those denied admission are encouraged to connect with the Coordinator of Transfer Admissions at UVM to review future options. Recipients of a CCV Associate’s degree prior to 1999 may contact the UVM Admissions office for general transfer information.

For a current list of transferable CCV courses and UVM equivalents, students should review the Transfer Guide on the Office of the Registrar (http://www.uvm.edu/~rgweb/) website. Additional questions can be directed to a CCV advisor or to UVM Office of Transfer Affairs (https://www.uvm.edu/registrar/contact-us/).

CCV graduates interested in UVM programs outside of those referenced in the catalogue are encouraged to contact the UVM Coordinator of Transfer Admissions to discuss their academic history and potential for transfer admission.

**COMMUNITY COLLEGE OF VERMONT (CCV) TO RUBENSTEIN SCHOOL OF ENVIRONMENT AND NATURAL RESOURCES GUARANTEED ADMISSION AGREEMENT**

Students who have completed an Associate’s degree at the Community College of Vermont (CCV) will be admitted to the University of Vermont’s Rubenstein School of Environment and Natural Resources (https://www.uvm.edu/rsenr/) (RSENR) under the following conditions:

- Students must complete a minimum of 60 transferable academic credits, at least 30 of those taken at CCV.
- Students must present a CCV grade-point average of 2.80 (on a 4.00 scale) or better.
- Candidates for this Agreement must meet UVM’s minimum entrance requirements prior to CCV graduation.
- CCV students must initiate their degree program at UVM within 2 years of completing the CCV Associate’s degree.

- The semester prior to enrolling at UVM, students must complete an official application (https://www.uvm.edu/admissions/undergraduate/transfer-uvm/) to UVM. The application fee will be waived.
- Students with a minimum 2.80 cumulative transfer GPA in all prior college work are automatically awarded a Pathway Scholarship (https://www.uvm.edu/studentfinancialservices/scholarships_transfer_students/) at the time of application.
- CCV Associate’s degree students will be held to the degree requirements and policies that are in effect at the time they matriculate into UVM.

**Application Process**

Current or prospective CCV students interested in this Agreement should review the minimum entrance requirements, as listed on the Transfer Admissions website (https://www.uvm.edu/admissions/undergraduate/transfer-uvm/). Candidates are encouraged to contact with the Coordinator of Transfer Admissions in the UVM Admissions office with questions about the admissions process under this CCV to UVM Agreement. Candidates are required to submit their application, all supporting credentials and all financial aid forms by the stated UVM deadlines.

Candidates whose GPAs fall below the minimum will be reviewed by UVM on a case-by-case basis. Those denied admission are encouraged to connect with the Coordinator of Transfer Admissions at UVM to review future options. Recipients of a CCV Associate’s degree prior to 1999 may contact the UVM Admissions office for general transfer information.

For a current list of transferable CCV courses and UVM equivalents, students should review the Transfer Guide on the Office of the Registrar (http://www.uvm.edu/~rgweb/) website. Additional questions can be directed to a CCV advisor or to UVM Office of Transfer Affairs (https://www.uvm.edu/registrar/contact-us/).

CCV graduates interested in UVM programs outside of those referenced in the catalogue are encouraged to contact the UVM Coordinator of Transfer Admissions to discuss their academic history and potential for transfer admission.

**SAINT MICHAEL’S COLLEGE (SMC)/UVM ENGINEERING 3+2 DUAL DEGREE PROGRAM AGREEMENT**

Saint Michael’s College (SMC) and The University of Vermont (UVM) offer a Dual Degree Program in Engineering (henceforth denoted as “the Program”).

This agreement guarantees students who meet specified criteria admission to a prescribed program of study in UVM’s College of Engineering and Mathematical Sciences (https://www.uvm.edu/cems/) (CEMS). Upon successful completion of the Program and degree requirements, students will receive a Bachelor of Arts degree from SMC and a Bachelor of Science degree in the appropriate
engineering area from UVM. Students will normally complete the Program in 5 years.

The academic advising, admission, transfer of credits, enrollment, and monetary conditions in this agreement applicable to students will be carried out in accordance with the following policies and procedures:

- Initial application to the Program will be made to Saint Michael's College.
- Students will enroll in this Program by declaring a major in Engineering (Bachelor of Arts) either at the time of admission to SMC or sufficiently early in their study at SMC to permit completion of all prerequisites in a reasonable time.
- Students may register for any of the options in the Biomedical, Civil, Electrical, Environmental, Mechanical Engineering, or Engineering Management programs.
- Students enrolling under this Program will be considered SMC students throughout the duration of the Program. Once students are admitted to UVM according to the policies of this Agreement, they also become UVM students for the remainder of the Program.
- For the first 3 years the host institution for students in the Program is SMC, and for the last 2 years the host institution is UVM. Tuition and fees will be paid to the host institution according to its normal policies.
- While students are enrolled at a host institution they will be independently responsible for applicable fees at the other institution according to the other institution’s policies (at UVM this includes but is not limited to the admission fee and the comprehensive fee).
- The semester prior to enrolling at UVM, students must submit an official application (https://www.uvm.edu/admissions/undergraduate/transfer-uvm/) to UVM, by the stated deadline. The application fee will be waived.
- To become a matriculated student at UVM, St. Michael’s articulation students must pay an acceptance fee by the date stipulated in the admission letter.
- Students will matriculate at UVM and will be accepted to the appropriate engineering program at UVM once they have met the following requirements: completion of at least 60 credits at SMC with appropriate courses and in good standing; completion of the courses required for the engineering program elected as specified in the Program curriculum outline; and attainment of a cumulative GPA of 2.30 or higher in all college-level coursework, to include SMC and UVM coursework, in addition to transfer coursework from any other higher education institution.
- Students with a minimum 2.80 cumulative transfer GPA in all prior college work are automatically awarded a Pathway Scholarship (https://www.uvm.edu/studentfinancialservices/scholarships_transfer_students/) at the time of application.
- Students will be held to the degree requirements and policies that are in effect at the time they matriculate into UVM.

VERMONT TECHNICAL COLLEGE (VTC)/UVM 2+2 FARMS PROGRAM

Students who have completed an associate degree in the Vermont Technical College Dairy Management program can be admitted into the University of Vermont’s College of Agriculture and Life Sciences (https://www.uvm.edu/cals/) (CALS) in the Animal Science major, leading to a bachelor’s degree. Transferable courses are limited to those directly comparable to UVM courses and meeting the requirements for both programs.

For admission, students must meet the following criteria:

- Students must have a 3.00 grade-point average (on 4.00 scale) or better.
- Students must meet the minimum entrance requirements for the University and for the Animal Sciences major. A list of these courses can be obtained from the agreement coordinator in the College of Agriculture and Life Sciences.
- All students who do not meet the above conditions can apply for transfer admission and be reviewed on a case-by-case basis.
- Candidates applying to the University of Vermont under this agreement do not pay the application fee.

For more information about this agreement and course equivalencies, please contact the agreement coordinator in the College of Agriculture and Life Sciences at (802) 656-2980.

VERMONT TECHNICAL COLLEGE (VTC) TO COLLEGE OF AGRICULTURE AND LIFE SCIENCES GUARANTEED ADMISSION AGREEMENT

Graduates of the Veterinary Technology A.A.S. degree at Vermont Technical College (VTC) will be admitted to the University of Vermont’s B.S. degree in Animal Science (ASCI) within the College of Agriculture and Life Sciences (https://www.uvm.edu/cals/) (CALS) under the following conditions:

- Students must complete VTC’s two-year Veterinary Technology A.A.S. degree with a minimum of 60 semester hours of credit and minimum of 2.80 GPA and are a student in good standing.
- Students must earn a C or higher in each course at VTC to transfer credit to UVM. Students must complete 30 of their last 45 credits at UVM to earn a UVM degree.
- VTC students must initiate their degree program at UVM within 3 academic years following completion of their VTC Veterinary Technology A.A.S. degree.
- The semester prior to enrolling at UVM, students must complete an official application (https://www.uvm.edu/admissions/undergraduate/transfer-uvm/) to UVM. The application fee will be waived.
- Students with a minimum 2.80 cumulative transfer GPA in all prior college work are automatically awarded a Pathway
VERMONT TECHNICAL COLLEGE (VTC) TO COLLEGE OF ENGINEERING AND MATHEMATICAL SCIENCES GUARANTEED ADMISSION AGREEMENT

Graduates of the Civil & Environmental Engineering Technology Associate of Engineering (AE) degree at Vermont Technical College (VTC) will be admitted to the University of Vermont’s B.S. degree in Civil Engineering within the College of Engineering and Mathematical Sciences (https://www.uvm.edu/cems/) (CEMS) under the following conditions:

- Students must complete VTC’s Civil & Environmental Engineering Technology Associate of Engineering (AE) degree with a minimum of 60 semester hours of credit and minimum of 2.80 GPA and are a student in good standing.
- Students must earn a C or higher in each course at VTC to transfer credit to UVM. Students must complete 30 of their last 45 credits at UVM to earn a UVM degree.
- VTC students must initiate their degree program at UVM within 3 academic years following completion of their VTC Civil & Environmental Engineering Technology Associate of Engineering (AE) degree.
- The semester prior to enrolling at UVM, students must complete an official application (https://www.uvm.edu/admissions/undergraduate/transfer-uvm/) to UVM. The application fee will be waived.
- Students with a minimum 2.80 cumulative transfer GPA in all prior college work are automatically awarded a Pathway Scholarship (https://www.uvm.edu/studentfinancialservices/scholarships_transfer_students/) at the time of application.
- VTC Electrical Engineering Technology Associate of Engineering (AE) degree students will be held to the degree requirements and policies that are in effect at the time they matriculate into UVM.

VERMONT TECHNICAL COLLEGE (VTC) TO RUBENSTEIN SCHOOL OF ENVIRONMENT AND NATURAL RESOURCES GUARANTEED ADMISSION AGREEMENT

Graduates of the Forestry A.A.S. degree at Vermont Technical College (VTC) will be admitted to the University of Vermont’s B.S. degree in Forestry within the Rubenstein School of Environment and Natural Resources (https://www.uvm.edu/rsenr/) (RSENR) under the following conditions:

- Students must complete VTC’s Electrical Engineering Technology Associate of Engineering (AE) degree with a minimum of 60 semester hours of credit and minimum of 2.80 GPA and are a student in good standing.
- Students must earn a C or higher in each course at VTC to transfer credit to UVM. Students must complete 30 of their last 45 credits at UVM to earn a UVM degree.
- VTC Electrical Engineering Technology Associate of Engineering (AE) degree students will be held to the degree requirements and policies that are in effect at the time they matriculate into UVM.

VERMONT TECHNICAL COLLEGE (VTC) TO COLLEGE OF ENGINEERING AND MATHEMATICAL SCIENCES GUARANTEED ADMISSION AGREEMENT

Graduates of the Electrical Engineering Technology Associate of Engineering (AE) degree at Vermont Technical College (VTC) will be admitted to the University of Vermont’s B.S. degree in Electrical Engineering within the College of Engineering and Mathematical Sciences (https://www.uvm.edu/cems/) (CEMS) under the following conditions:

- Students must complete VTC’s Electrical Engineering Technology Associate of Engineering (AE) degree with a minimum of 60 semester hours of credit and minimum of 2.80 GPA and are a student in good standing.
- Students must earn a C or higher in each course at VTC to transfer credit to UVM. Students must complete 30 of their last 45 credits at UVM to earn a UVM degree.
- VTC students must initiate their degree program at UVM within 3 academic years following completion of their VTC Electrical Engineering Technology Associate of Engineering (AE) degree.
- The semester prior to enrolling at UVM, students must complete an official application (https://www.uvm.edu/admissions/undergraduate/transfer-uvm/) to UVM. The application fee will be waived.
- Students with a minimum 2.80 cumulative transfer GPA in all prior college work are automatically awarded a Pathway Scholarship (https://www.uvm.edu/studentfinancialservices/scholarships_transfer_students/) at the time of application.
- VTC Electrical Engineering Technology Associate of Engineering (AE) degree students will be held to the degree requirements and policies that are in effect at the time they matriculate into UVM.

Scholarship (https://www.uvm.edu/studentfinancialservices/scholarships_transfer_students/) at the time of application.

VTC Veterinary Technology A.A.S. degree students will be held to the degree requirements and policies that are in effect at the time they matriculate into UVM.
• VTC Forestry A.A.S. degree students will be held to the degree requirements and policies that are in effect at the time they matriculate into UVM.

**UVM-UNIVERSITY OF GLASGOW MATRICULATION AGREEMENT**

The University of Glasgow (UoG), Glasgow, UK and the University of Vermont (UVM), Burlington, VT USA have formed an agreement whereby University of Vermont students can complete a joint B.S./BVMS degree attending UoG in their fourth year at UVM. UVM may send students who have successfully completed 3 years of study in the University of Vermont Animal and Veterinary Sciences Bachelor of Science (B.S.) program to the Bachelor of Veterinary Medicine and Surgery programme (BVMS) hosted by the School of Veterinary Medicine, College of Medical, Veterinary and Life Sciences at Glasgow. Participating students will continue as candidates for degrees from their home institution (UVM) and will not, at the end of the first year at UoG, be eligible candidates for degrees from the host institution (UoG). Credit for subjects taken at UoG will be transferred to UVM to fulfill the requirements for awarding successful students a B.S. degree in Animal and Veterinary Sciences from UVM at the end of their fourth year. University of Vermont students meeting matriculation requirements and successfully completing Year 1 of the BVMS program at the University of Glasgow will be offered a direct entry place in Year 2 of the BVMS program. UVM students must work with the Department of Animal and Veterinary Sciences to apply at the beginning of the fall semester of their junior year. For more information, please visit: The College of Agriculture and Life Sciences < University of Vermont (uvm.edu) (https://catalogue.uvm.edu/undergraduate/agricultureandlifesciences/)

**UVM-VERMONT LAW SCHOOL (VLS) 3+2 AND 3+3 DUAL DEGREE PROGRAMS**

The UVM-VLS 3+2 and 3+3 Programs provide high-achieving students with an opportunity to achieve a Bachelor’s degree (B.A. or B.S.) and a Juris Doctor (JD) degree in a total of 5 or 6 years. The program is available to undergraduate students pursuing a Bachelor’s degree. UVM students interested in pursuing a dual degree with VLS are encouraged to pursue an undergraduate course of study that emphasizes critical reading, analytic, and expository writing skills.

Students complete 3 years of undergraduate study at UVM, then matriculate at Vermont Law School where they complete 2 or 3 years of approved coursework for the JD degree from VLS and are enrolled as full-time students.

Admission to the program occurs at the end of a student’s first year at UVM. UVM students may apply for the dual degree program during their sophomore year if they demonstrate they can complete their undergraduate degree requirements by end of their junior year.

Students must be enrolled as full-time students during the duration of their course of study at UVM. As students will complete their major requirements in a compressed timeframe, it is vital that students are planning how to complete all of the requirements from the beginning of their first year at UVM. Students should review the academic plan for their major and connect with the appropriate major advisor.

• Students enrolled into one of the UVM-VLS Programs will be admitted to VLS and matriculate as full-time students if they meet admissions criteria.
• Credits from the first year at VLS are transferred back to UVM to allow completion of the undergraduate degree from UVM.
• Students who meet all requirements of the UVM-VLS Program will be awarded the appropriate Bachelor’s degree from UVM and a JD degree from VLS.
• Students who enroll in this program but choose not to complete the law degree after the first year of enrollment at VLS will have their credits transferred back to UVM for the completion of the Bachelor’s degree.

**Requirements**

Students apply to either the 3+2 or 3+3 Program no later than the end of their freshman year and if approved, their sophomore year at UVM. Eligible students must have completed a minimum of 30 credit hours in 2 semesters of full-time study with a minimum GPA of 3.3 and must meet the LSAT requirement. A UVM student must submit a plan demonstrating how the student will complete all general education and major requirements by the completion of their junior year, except for those requirements that can be fulfilled by a course at VLS. Students must maintain their GPA at UVM to continue in the program.

UVM and VLS have a separate Admissions Agreement pursuant to which UVM students recommended by UVM designated coordinator who have achieved a GPA and LSAT score above the median acceptance scores at VLS for the prior year are guaranteed admission to VLS. If a dual degree program candidate fails to meet the academic requirements of the dual degree program, that student will still be eligible for admission to VLS pursuant to this agreement but as a regular VLS student and not as a dual degree student. This means that the student must complete all the requirements of the bachelor’s degree at UVM.

Eligible candidates for the Program must be U.S. citizens or permanent residents. The number of students selected will be determined each year based on availability. Students must maintain their GPA at UVM to continue in the program.

**Application Process**

Students should submit the application by mid-April at the end of their first year. The application process includes submission of the application form, essay, and a minimum of 1 letter of recommendation from a full-time faculty member.

VLS agrees to accept any UVM student who meets the qualifications designated in this agreement as long as that student completes the VLS application process no later than March 31 of the junior year. Applications completed after this date will be considered but
admission to the dual degree program is not guaranteed. VLS will waive the application fee for students in the dual degree program.

To gain admission to VLS, UVM students must sit for the LSAT no later than October of their third year of study at UVM and must present a score that is equal to or greater than 153 and a UVM cumulative GPA of 3.3. If a student’s LSAT score falls below this standard, the student may seek permission from VLS to retake the test. If a student earns an admissible score, the student may elect to retake the test to earn a higher score for scholarship funding.

Students must have completed the minimum requirements as set forth by the academic unit approving the applicable UVM degree program before matriculation at VLS. VLS reserves the right to deny admission to any students who have been subject to academic and/or disciplinary action.

UVM-VERMONT LAW SCHOOL (VLS)
GUARANTEED ADMISSION AGREEMENT

The purpose of this articulation agreement is to guarantee admission into Vermont Law School’s (VLS) Juris Doctor (JD), Master’s, or Joint JD/Master’s degree programs to University of Vermont and State Agricultural College (UVM) students who successfully complete UVM requirements for the bachelor’s degree (B.A. or B.S.) and who also meet the VLS entrance requirements stated below.

1. The applicant has successfully completed all requirements for the UVM bachelor’s degree program;
2. The applicant has completed a minimum of 60 credits towards the bachelor’s degree in residence at UVM with a cumulative grade point average calculated by the LSAC Credential Assembly Service that is equal to or exceeds the median grade point average of the first-year JD or Master’s class in residence at Vermont Law School at the time of UVM student’s application to VLS;
3. The applicant has a current LSAT score (dated less than 4 years from the first semester of enrollment at Vermont Law School) that is equal to or exceeds the median LSAT score of the first-year JD class in residence at Vermont Law School at the time of UVM student’s application to VLS. An equivalent GRE score is accepted for VLS Master’s applicants;
4. The applicant presents 2 acceptable letters of recommendation from UVM faculty, as determined by VLS;
5. The applicant’s file, from their tenure at UVM and any other academic institution from which credits were earned and/or applied toward UVM degree, contains no evidence of character or fitness concerns that would generally disqualify the applicant from admission into Vermont Law School.

No credit may be given by VLS for academic work completed before the student’s regular matriculation into the first year of the JD, Master’s, or Joint JD/Master’s degree programs at VLS.
