### RESTRICTIONS

Ineligible Major: Health and Society

### PRE/CO-REQUISITES

Introductory and intermediate courses for various subject areas may be necessary to reach some of the courses that can be applied to the major.

### REMINDERS

In the College of Arts and Sciences (CAS), only one course may overlap between a major and a minor or between two minors.

For a Bachelor of Arts degree, no more than 45 credits in courses with the same departmental prefix may be used toward completion of the 120 credits required for graduation. For a Bachelor of Science degree, the maximum is 50 credits.

At least half of the credits used to complete minor requirements must be taken at the University of Vermont.
