OTHER INFORMATION

If majoring in Political Science, POLS courses that are used for the minor are included in the 45 credit major rule. If majoring in Economics, EC courses that are used for the minor are included in the 45 credit major rule. Reminder: no more than 1 course can count towards both the Political Science major and the Public Policy Analysis minor. EC 012 is required for both the Economics major and the Public Policy Analysis minor, and this is the only course that can count towards both programs.
