

## DIVERSITY OF HUMAN EXPERIENCE (D2)

Courses in this category focus on expanding students' cultural awareness. A D2 course is intended to:

- Promote an awareness of and appreciation for the diversity of human experience in all its forms including, but not limited to race, ethnicity, religion, socio-economic status, language, sex, gender identity, sexual orientation, age, and disability; and/or
- Foster an understanding of global and international issues including the flow of people, cultures, diseases, and capital or other resources within or across political and geographical boundaries.

All UVM undergraduate students must successfully complete the following two requirements prior to graduation:

1. One 3-credit course from Diversity Category One (D1) (Race and Racism in the U.S.), to be taken as early as possible after matriculation to UVM - preferably no later than the sophomore year); and
2. A second 3-credit course from either Diversity Category One (D1) or Diversity Category Two (D2) (the Diversity of Human Experience).
