

## UNDERGRADUATE CATALOGUE

Students at the University of Vermont are responsible for knowing and complying with all requirements for their respective degrees as stated in the catalogue.

The University of Vermont reserves the right to make changes in the course offerings, mode of delivery, degree requirements, charges, regulations, and procedures contained herein as educational, financial, and health, safety, and welfare considerations require, or as necessary to be compliant with governmental, accreditation, or public health directives.

Mode and method of instruction for any given course, including, but not limited to, in-person vs. remote instruction (synchronous or asynchronous), use of mixed formats, and alternative scheduling, is at the discretion of the University.

## CATALOGUE ADDENDUM

### May 19, 2025

At its May 16, 2025 meeting, the Board of Trustees approved the following:

A minor in Epidemiology in the College of Nursing and Health Sciences; information on the minor can be found on the College of Nursing and Health Sciences website

A minor in Computer Engineering in the College of Engineering and Mathematical Sciences
